### Dear Families

2 February 2011

Welcome Back for Term 1 2011. We always enjoy the summer term as it enables us to participate in outside activities including swimming. We would like to keep your children safe and ask that you ensure they have a sunhat. Children should be in the correct school uniform so that they are easily identified on their way to and from school. If you would like to donate any second hand uniforms we always have families who appreciate them.

Twice a day our roll is checked and it is helpful if you ring in when your child is absent (you can phone and leave a message on our absentee line 8388229 or txt to 021332801) otherwise we then have to try and contact you! Please make sure we have your up to date phone numbers and addresses. Late children must report to the office as our roll is now online and attendance is recorded at 9.

Stationery is now on sale at the school office, it is reasonably priced in packs. Teachers appreciate it when you purchase your stationery from school - as children then have the correct stationery. A class donation is also requested to assist each class to provide the extras which enhance your child's learning. School Fees are the same as last year and may be paid at anytime, either for the year or each term. Thank you to the families who have responded to all of the above so quickly.

Our Dental Clinic is closed - Children will now go to the "Children's Community Dental Clinic" at Henderson Intermediate for treatment - phone 838 9751 for appointments. A caravan will visit the school for check ups.

We no longer have an after school programme at our school as there were not enough children attending to keep it running. See back of newsletter for alternative before and after-school care options.

Our Library and Book room lose many books every year which costs the school a lot of money - if you could please check your bookshelves/cupboards/boxes/bags at home and return any books that may belong to school.

If you have any old cell phones at home that you no longer require please send them along to school and we will send them off to Starship Mobile Phone Recycling.
