

Animates Nationwide

School Holidays

Thursday 20th April and Thursday 27th April,
11am-12pm

School Holidays are just around the corner and once again we are hosting some exciting activities to keep the kids entertained!

Join us at your local Animates.

Children can learn everything they need to know about rabbits, guinea pigs, rats and mice; small in size with big personalities. The sessions are a great way to introduce children to the skills they need to be a nurturing pet parent. Each child that attends will also receive a certificate to take home. No booking required, but make sure you get in early.

Kia ora my name is Marianna.

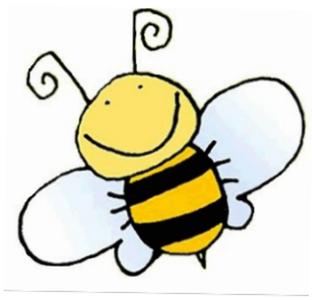

*I am a student in Room 4. This term we went to the
Life Education Caravan. We learnt about cyber
bullying and bullying online and offline. No one in
our class thought it was cool to bully or be bullied.
We also learnt not to play on our digital devices at
night. Here are some tips we learned to keep us
safe while we are online.*

*Block people who are trying to
make bad contacts with us, tell a
person that you trust if you are
worried.*

*I really loved going to the Life
Education Caravan*

Thanks Muriel
