'BE FRIENDLY'

I can be friendly to the people I like,
I find opportunities to help them when they are
working and when they are playing.
People I do not know very well I try to be
helpful and meet them with a smile.

When a new person comes to our school
I make sure they feel welcome
and can find all the things they need.
I like to share with others.

**Thank you to all the ladies who came along to our
Annual Mother's Day Breakfast.
Congratulations to Elsi Elfy Base who won our
Mother's Day Raffle.**

SCHOOL UNIFORM

Please ensure your children are in full correct school uniform every day. With the changeable weather children often take off their uniforms and misplace them. Please make sure you name your children's uniform. We don't have a lost property, if clothes are named we return to the children. Also with the wet weather children need to have a spare pair of clothes in their bag - we don't have spare clothes to change them into. You may receive a phone call to collect your wet muddy child!

FOOTSTEPS DANCE SCHOOL

Footsteps is a specialised dance company that integrates dance with the National Curriculum. They will be at our school every Tuesday this term between 9am - 12:40pm, every child from every year group will be involved, getting 8 sessions. These sessions will support our physical education and health programme and strengthen our curriculum. Here is some feedback so far from the children in Room 4.

Oh my gosh! Did that really happen! Today, Tuesday 9th May 2017, these two ladies named Laura & Cassandra from the dance company named footsteps taught rooms 1,2,3,&4 fantastic dance moves. The three dance elements were level, space and direction. The dance we did was called heads will roll. We learnt amazing Michael Jackson Zombie move. I loved it sooooo much.

Today I felt like a real dancer. I learnt so man moves and the music was amazing!!! The son that we were listening to was 'Heads will roll' by Michael Jackson. When I came into the hall there was a big stereo and speakers that were set up. There were two dance teachers named Laura and Cassandra. Laura and Cassandra were both professional dancers. I liked the part when Laura did such a funny move in the dance. After I was so hot that I was going to faint. Man, I loved dancing with the dancers but mostly I liked having fun!!! Kareja

Today we had an amazing experience for dancing our teachers were Cassandra and Laura. They taught us about level, space and direction. We used music from Michael Jackson named 'Heads Will Roll'. I'm not a big fan of dancing but I thought it was fantastic. Cassandra an Laura were from footsteps. We did a lot of moving. Laura didn't waste any time. We all had a great time learning how to dance.
Jennika

Today I went to the hall and had some dance lessons. IT was cool. I had two teachers, their names were Laura and Cassandra. They were from a company called footsteps. The dance was about a man that was famous. In the dance we had to do poses and we were electrocuted. It was amazing to me. I loved it. When we were doing the whole thing I stood up and went in position I got called great for doing that I loved it.

When I was on the way to dance classes I thought "This is going to be sooo boring". Turns out it was fantastic, "Footsteps" taught us "Heads Will Roll" by Michael Jackson. I also learnt "the moon walk", what it was, and a move where you wiggle your legs and flop your arms. We also learnt three elements level, space and direction. Laura and Cassandra were the dance teachers, they were amazing.
Frank

On Tuesday 9th May Laura and Cassandra from 'Footsteps' taught us dance. My favourite dance move was the dead Zombie move and the electrocuted Zombie move. When I first saw Laura and Cassandra I thought they were amzing. The music that we danced to was Thriller by Michael Jackson. The elements that they taught us were level, space and direction. What I really enjoyed the most was dancing and seeing them dance That was the most funniest dance I have done.
