Dear Whānau

23 October 2018

### 'Be Responsible'

Each week we gather all the information about our school, put it into a newsletter, and send it home with each child. We hope that your child is responsible and brings it to you and that you enjoy reading about our school community.

Today we farewelled Terry who has been our Caretaker/ Gardener for almost 5 years. It is always sad when someone who contributes so much leaves, but we wish him well in his new adventures and we need volunteers too keep his amazing gardens thriving. Would you be able to give us some time each week? Come and have a look to see what it involves and how you can help.

The author Jo Carson-Barr will come this week to talk about writing books, showing the books she has written and offering children a chance to buy one of the books.

There will be a gold coin donation to cover her travel for the two days. We do hope that some of our children will become authors in the future and we send you samples of their work in most of our newsletters.

Please remember hats need to be worn at morning tea and lunch time and doing outside activities this term.

**Irene Ogden - Principal**

Some of our children went to  
Extreme Rock Climbing last week -  
William from Room 14 wrote about his experience

*We went to rock climbing. I was climbing the snake one, but I was a little bit scared when I climbed up the top. I was brave and I tried to climb the big wall then I jumped off of it. I was racing with Laz and Laz won, but it was fun.* William
