

SCHOOL LUNCHROOM

Mrs Williams who has run our lunch room for many years has been given a new opportunity and will leave our school in two weeks time.

We now need to make some decisions about our lunch room. We have run our lunchroom as a service to our families and not to make a profit - now we need to decide if we continue to keep it going -

Do you have any suggestions?

Is anyone willing to help us?

Please come and talk to us.

'BE A LEARNER'

**I arrive at school on time and every day,
I make sure I have everything I need to do my work,
I listen carefully, I read lots of books,

I tell my family about what I have learnt.**

Remember to check out our School Website and see what is happening in your child's class room under 'Our Learning'. This term our topic is 'Inside Out' - look after your body and it will look after you. We have a skeleton visiting our school at present and all children are visiting him to check out his bones! We enjoyed a 'show and tell' by Room 13 today at assembly and sang the dry bone song 'Dem Dry Bones'.

EASTER RAFFLE

The money that we raised from our Easter Raffle we are using to enhance our Te Reo.

Class Room Activity and School Donation payments -

Please note payments are now due for Class Room Activity and School Donation Payments.

OUR RECIPE BOOK!!**

We are having great fun learning different dancers on a Tuesday morning. If you would like to come along and join us we will be in the hall.

Dance Lesson Number 2 -

"What?" "Another lesson?" when we got to the hall I was calm, relaxed and happy. Until.... Dancing with a BOY!!! Yuck! REALLY? I had to dance with a boy the whole time ugghh!! Anyway, when we got told to stand up we had to do a few moves and then the worst part was holding hands! Well that didn't seem too bad! Well anyway my favourite was the pyramid! It was so funny when Vakai and Glaeshia did their dance because Glaeshia couldn't reach Vakai's pyramid. The dance was "Disco". It was fun! Kareja

Oh my goodness! What! We are doing disco are you serious? Disco out of all the other dances Disco?? Oh my gosh! Now we have to get in a line and hold hands I want to go home!! I never knew disco was about energy but the good side is that it was fun! Vakai

OMG we have dance lessons again. I'm so excited. When all the classes came into the hall we had to get a boy or girl partner. "Aw", everyone said, dancing with a boy or a girl! "I was so excited to have dance lessons but it was so not my style or my type at all. The dance we did was called disco. It was a high energy dance. We learnt to point, slide, pyramid and lots of other moves. It was so cool! Mele
