Be A Learner

Playing is a form of learning - let your children play.

When children play they can explore, experiment, discover and solve problems in imaginative and playful ways.

Play based learning enhances children's academic and developmental learning outcomes.

Krypton Factor - Sunday 18 March

The school will be open on Sunday 18 March for our inter school Krypton Factor Challenge which includes 15 schools competing in 12 separate events. Tasks will be performed by teams of 8 pupils demonstrating their mental agility, team sportsmanship, physical endurance and general knowledge and will be a fun day for all involved. This is counted as school day - however it is not compulsory to attend, but would love to have you here to support us. RELIGIOUS EDUCATION

Religious Education is a values based programme. It weaves together bible stories with the values set out in the New Zealand curriculum. The bible stories are used to illustrate and teach different values such as - loving your neighbour, personal worth, courage, inclusion and forgiveness. The programme teaches about people in the bible and about famous New Zealanders. Information is in the office if you would like more.

The programme runs for half an hour each week on a Thursday morning at 10.00am, in Years 2 - 6. You are welcome to attend any of the lessons. We believe that parents have the right to choose what is right for their children and they may wish to opt out. Please inform the office in writing if you wish your child not attend. The children not attending will be supervised by a teacher and will be provided work by their class teacher.

All children must wear a hat - 'No Hat - No Play'

Introductory Reports - these were sent home on Friday - please read them, fill them out and return the back half of the report to your child's teacher to help them get to know your child better.

**No Parking at the entrance before and after school -
you will get a ticket and it is dangerous for our children!
Please don't walk your children through the carpark!**
