DANCING

OMG! DANCE AGAIN! As soon as we got in the hall Laura started talking. In my head I was like what is it going to be like today, boring or cool? When we started dancing it was cool! The song was 'Can't Stop The Feeling', the style was jazz and the element was relationship. Relationship is space, partner, and yourself today the relationship we did was space from he Trolls. It was amazing.

Today we did dance. It was awesome. The song we were dancing to was 'Can't Stop The Feeling'. We also had to do relationship, space, partner and yourself. The style we were doing was jazz. Trolls had the song 'Can't Stop The Feeling'. I had a wonderful time. I'm glad we didn't have to dance with a partner. Ella

WOW another dance lesson - it went so fast! Today we went to the hall to do our dance lessons and it was spectacular. I was speechless to see people dancing and their timing was perfect and the dancing was superb. My favourite move or part was the cannon dab. We danced to the song 'Can't Stop The Feeling' from the movie 'Trolls'. Originally from Justin Timberlake. The dance was Jazz.

YAY! We have DANCE LESSONS again! I was so happy because we were dancing to one of my favourite songs called "Can't Stop The Dancing". When Laura and Cassandra told us it was about 'relationships'. We all started moaning and squealing. UGH!! It turns out we did not have to dance with a boy or a girl. We did a lot of canons which are a series of moves done by a bunch of people. It was fun and exhausting at the same time. I wish we could have dance lessons every day.
