HENDERSON NORTH SCHOOL NEWSLETTER

Dear Whānau

29 October 2018

'Be Friendly'

The most important person to be friendly with is yourself.

Be Friendly with people you are meeting.

Be friendly with your friends, and try to include others.

Be friendly to your environment we are so lucky to spend each day in our beautiful school.

'Switch to Water'

For the month of November we will switch to water - to keep us healthy and help our teeth. The Dental Association of New Zealand is encouraging us and we may win an award.

Please remember hats need to be worn at morning tea and lunch time and while doing outside activities this term.

Irene Ogden - Principal

Diwali is the celebration of light.

Friday 2 November

Come dressed in your cultural outfits
or be very colourful.

Iceblocks for sale
Wednesday and Thursday
at lunchtime for a \$1

On Friday our senior children went to Motuihe Island for the day to plant trees.

We were going to Motuihe Island. First a bus drove us to a ferry, there are brushes there to clean our shoes before we went on the boat. When the ferry came to the Island we had to walk a long way to our first activity which was seed planting. It was a lot of fun. Out of all the activities there I think my favourite activity was planting the small seeds. Next we planted trees I was told to be careful with the shovel because it might break. After that we had a forest walk, we were taught all about the trees. I also had a fun time looking at geckos finger prints. The people there would put out banana and while the geckos were getting to the bananas they would step on the ink pad and they would walk on the paper leaving their finger prints behind. I thought it was a bit funny when I was told that they bought a whole bunch of birds to the island but the birds decided that they would fly to a different island. It was an exciting day.

Hannah - Room 3
