'Be Responsible'

Tomorrow is Halloween and there maybe many children out and about 'Trick or Treating'. Please make sure that they are being responsible and keeping safe.

Today our Kapa Haka Group will go to Waitakere Hospital to help with the celebration of the new caravan to be used for Rheumatic Fever testing.

PLEASE REMEMBER

- If you are coming into school please check into the school office - it is important that we know who is on our school grounds.
- Cell Phones must be left in the office before school and collected at 3.00pm.
- Once in school children should not leave to go to the shops as we are concerned for their safety.
- Please remember all children must have a named hat for the 4th Term, and again for Term 1.

'Vector Epro8 Challenge'

Eight of our children attended the Vector Epro8 Challenge at Summerland School last week.

The Epro8 Challenge is an inter-school science and engineering competition. Well done - Bodene, Raechel, Suzanne, Jessica, Tesla, Frank, Vincent and Mark.

We arrived at Summerland Primary school in the Henderson Intermediate van that Matua Paul drove. We were all a bit nervous but excited to find out what we would be doing. We were set 5 different challenges that were set up at stations around the hall. We worked our way from one station to the next until we had completed all the different tasks. After we completed each task we got points and at the end we added them up to see how we had done. One of the tasks was to build a bridge that was big enough for a boat to go under - which we were able to do. In another test we had to use fans to keep a ballon up in the air for 10 seconds - which we did really well at. We had to also build a robotic dog. It was a lot of fun and would love to do it again.
