Last Tuesday our Year 5 & 6 students had the awesome opportunity of visiting the Maritime Museum and the Ports of Auckland at a cost of \$1 - this is extremely good. Unfortunately the cost of buses raises the expense but we do feel it was a worthwhile trip. Here is an example of what the kids thought about the trip.

PORTS OF AUCKLAND

Ports of Auckland was awesome because we got to learn about heaps of stuff like the Auckland Harbour Bridge was built in 1959. We learned about Pacific boats, USA boats and London boats.

It was so interesting we even learned about when the Maoris came to New Zealand. Then we had a break. I was so happy we stopped because I was so weary. I ate some tuna and chips, later we got to see the captain fire the cannon. I know the cannon was little but it was really loud, after all that we did the fun part, going on the ship for one hour. Thank you Maritime museum you're the best. Jakob - Room 4
