that all children are in correct school uniform. Please help your  
children achieve this. Children must have a hat this term.

**Car parking** - please do not come into the staff carpark or walk  
your children through it.

**Cell Phones at school** - we do not encourage children to bring  
phones to school - if children do they must be left in the office  
and collected at 3.00pm

**Late children** - school starts at 8.55am - please ensure your  
children are on time and not arriving late and disturbing the  
class. If children are late they must report to the office.

The beautiful weather is really welcome at the start of the year. We will make full use of our swimming pool, and are fortunate 'Swim Safe' is returning for coaching for Years 3 to 6. Please ensure your child has their swimming togs and towel every day ready to swim. These lessons are free to our children.

Included with this newsletter is a new Lunchroom Price List Menu, lunch orders must be made before school starts. Orders are taken on the hall deck. Mrs Williams who runs the lunch room ensures that all food is healthy and most of our food has a 'Heart Tick'.

To help you communicate with the school we have an App for smart phones and other 3G devices. To install either scan the QR Code using your Smart device or download using the App Store or Google Play Store and its FREE! See information attached.

A Fridge Magnet with school dates, times etc will be issued to families next week.

Inside this newsletter is a new map of the organisation of our school for 2017. We try very hard to make sure each child is in a "best fit" class, and sometimes this is a composite class, but all teachers strive for successful learning.

The school newsletter will be sent out each Monday, it is also available on line and you may request a copy via email. You can email us your address at [office@hns.school.nz](mailto:office@hns.school.nz) and we will add you to the email list. Please look out for the newsletter as we are often surprised by the number of families who do not get a copy.

At the end of the year our stock take showed that we were many books missing both from the book room and the library. We would still like these books returned and for this week we will be offering a treat for their return. Please bring them to the office.

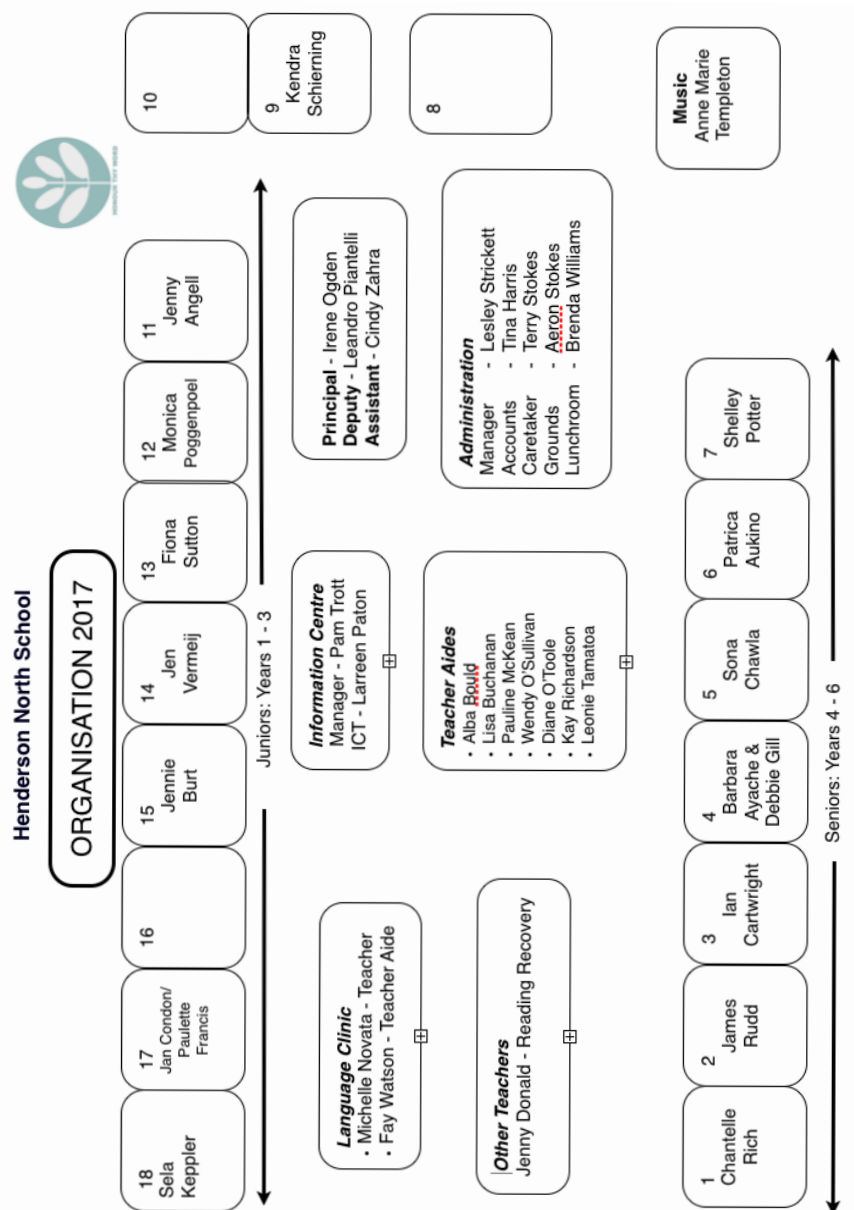

**Stationery** is now for sale at the school office - we encourage families to buy their stationery from us so that the children have the correct books and equipment to start the year. Please purchase this as soon as possible. We also encourage you to pay your Class Room Activity Fee which is \$10 for Term 1, 2 & 3 or \$30 for the year.

**Breakfast Club** will start tomorrow and will run on a Monday, Tuesday and Wednesday 8.15 - 8.45am in the school hall. If you are available to help please come and talk to Pauline or Alba at school.

**Fruit in Schools** - we are fortunate once again to be a part of the Fruit in Schools programme. Everyday every child will get a piece of fruit - this will start next week. Please talk to your child about what fruit they have had and encourage them to try new fruits and put waste in the bin.

**Milk in Schools** - we are part of the Fonterra Milk in Schools programme, every day every child will get a carton of milk to drink.
