

HENDERSON NORTH SCHOOL

Monday 16 August 2021

Dear Whānau

Thank you for attending our Pōwhiri last Tuesday, it was lovely to see so many new families and welcome them to our school.

We welcomed Tess Blockley as our new Learning Support Co-Ordinator.

We would also like to welcome back Leao Tildsley who runs a special programme called 'Restore Resilience' with groups of children and Matt van Dam who is our part time Gardener and runs the 'Bricks Programme' with groups of children, a literacy programme and a route on the 'Walking School Bus'.

Please make sure your children get out of your car on the passenger side of the car and not the road side - it is too dangerous!

Our Administration Block is nearly complete and we look forward to moving back very soon. In the meantime please remember to come to Room 13 when you are visiting the school.

This week we will start our newsletter quiz (see below). We hope you read our weekly newsletter and are aware of what is happening at school. Now we have gone paperless this is emailed out and is available on our website and on the Skool loop.

Period Products - if you have a young lady in your family who requires any period products please get in touch with the school office. These are provided to us at no charge from the government.
