

Henderson North School

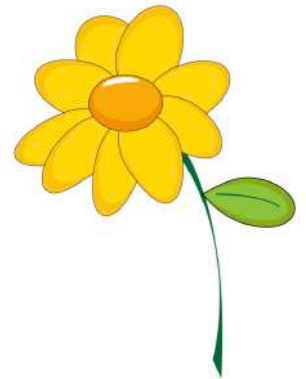

Dear Whānau
Ngā mihi mahana mo te wiki o te reo Māori
(Warm greetings for Māori language week)

Here we go again! Another week in Level 4 Lockdown!!
Often as a school we have conflicting views, we want all children to come to school - but we know that they need to be safe at home, we know education is so important for choices in life - but we also know that children are learning wherever they are.

Gratitude

I am so grateful for the effort teachers are putting into home learning and their efforts to keep in contact with your children.

We are so grateful to Kidscan for their delivery of the foodboxes to those who requested them - because we know families are in hard times.

If you haven't looked yet please go onto our Website and look at Mrs Templeton's music for Te Wiki o Te Reo.

We are hoping to be at Alert Level 3 next Wednesday so if you have not yet completed the online form then please do so.
